

SHAC Meeting Minutes—3-1-17

The Motley County SHAC members met March 1, 2017. Members present were Lindsey Aldrich, Rosalee Davis, Kassi Beshires, Denise Lawrence, Jessica Dunham, Lauren Drum and Judy Cooper. Judy Cooper called the meeting to order, and briefly discussed some possible programs for our students. Jessica Dunham gave a short report on information concerning the Motley Miler race that we are considering sponsoring.

Under new business Mrs. Cooper presented a request for an update of the current abstinence curriculum that she is teaching in her Health class. After looking over the material Lindsey Aldrich moved that the SHAC approve the purchase of the curriculum "Choosing the Best Life". Kassi Beshires seconded the motion; all were in favor of approving this.

Being no other business, Kassi Beshires moved that we adjourn. The motion was seconded by Denise Lawrence, and all approved.
